Re: United States v. Johnson, et al. (**Keith McClean**)  
Ind. No. 19 Cr. 828(ALC)

Dear Judge Carter:

My I write to request a new sentencing date for Keith McClean which is currently scheduled for March 10, 2022. Because my mitigation expert has requested additional time to gather records and letter from family, friends, and professionals. The middle of April should be enough time to complete this task. The only times I am unavailable is between April 28, 2022 and May 15, 2022 as I am going to Italy with my wife and airline and hotel tickets have already been purchased for the trip. Any other dates work.

Should the Court grant this request I will notify the parties involved. The government consents to this request. Thank you for your consideration.

Respectfully,

So Ordered.
